

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampsel, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	Wetland and Upland Habitat Restoration Design	11/13/2007	Seattle, WA	2 day course with lab
WA State Dept. of Ecology Coastal Training Program	SB	Stream Habitat Restoration Guidelines	3 trainings fall 2007	around state	1.5 hour lecture within 2 day course
International Urban Training Centre, United Nations Habitat Program	SB	Urban Ecological Restoration	7/23/2007	Seoul, Korea	6 day course, co-taught
University of Washington School of Landscape Architecture	CS	Specifying and Inspecting Native Plants	5/14/2007	Seattle, WA	2 hour lecture and lab
South Puget Sound Community College Horticulture Program	CS, AB	Native Plant Propagation and Native Plants in Urban Landscapes	5/4/2007	Olympia, WA	2 hour lecture and nursery tour
Coastal Training Program Washington	BA, CS	Shoreline Management and Stabilization Using Vegetation	4/24/2007	Lacey, WA	1 day course with field component
City of Olympia	BA	Steep Slope Stability for Homeowners	3/21/2007	Olympia, WA	1.5 hour lecture
Native Plant Salvage Project	CS	Winter Twig Identification	1/21/2007	Olympia, WA	2 hour field course
South Puget Sound Community College Horticulture Program	CS, AB	Propagation of Native Plants - Integrated Pest Management	11/8/2006	Olympia, WA	2 hour lecture and nursery tour
People for Puget Sound Habitat Steward Program	CS	Proper Planting Techniques	6/25/2006	Olympia, WA	1 hour lecture
The Evergreen State College	AB, CS	Native Plant Propagation	5/24/2006	Olympia, WA	1 hour lecture and tour

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampelle, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
University of Washington School of Landscape Architecture	CS	Specifying and Inspecting Native Plants	5/17/2006	Seattle, WA	2 hour lecture and lab
Coastal Training Program Washington	BA, CS	Shoreline Management and Stabilization Using Vegetation	4/27/2006	Lacey, WA	1 day course with field component
Coastal Training Program Washington	BA, CS	Shoreline Management and Stabilization Using Vegetation	4/6/2006	Lacey, WA	1 day course with field component
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB, CS	Wetland and Upland Habitat Restoration Design	4/4/2006	Seattle, WA	2 day course with lab
WSU Cooperative Extension Office	BA	Shoreline erosion & stabilization	2/16/2006	Lacey, WA	2 hour lecture
South Puget Sound Community College Horticulture Program	CS, AB	Native Plant Propagation and Native Plants in Urban Landscapes	6/9/2005	Olympia, WA	2 hour lecture and nursery tour
University of Washington School of Landscape Architecture	CS	Specifying and Inspecting Native Plants	5/18/2005	Seattle, WA	2 hour lecture and lab
Society for Ecological Restoration, Northwest Chapter, 2005 Regional Conference	SB, CS	Writing Effective Plant Specifications for Restoration and Mitigation Projects	4/5/2005	Seattle, WA	1 day course with lab
WSU Cooperative Extension Office	BA	Shoreline Restoration	2/18/2005	Olympia, WA	2-hr lecture in a 2 day course

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampelle, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
Native Plant Salvage Project	SB, BA	Painless Propagation: Hardwood cutting at home	2/2/2005	Olympia, WA	2-hr workshop
Adopt-A-Stream Foundation	SB	Using Native Plants in Restoration Projects	11/8/2004	Everett, WA	2-hr workshop
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	Wetland and Upland Habitat Restoration Design	11/16-17/2004	Seattle, WA	2 day course with one day field trip
WSU Cooperative Extension Office	BA	Marine & Lake Shorelines	5/20/2004	Olympia, WA	2-hr lecture in a 2 day course
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	Wetland and Upland Habitat Restoration Design	3/10-11/2004	Seattle, WA	2 day course with one day field trip
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	Wetland and Upland Habitat Restoration Design	11/03-04/2003	Seattle, WA	2 day course with one day field trip
WA Dept. of Transportation	SB	Planting genetics	7/24/2003	Olympia	2-hr lecture/seminar
Society for Ecological Restoration & Society for Wetland Scientists, PNW chapters Joint Annual Conference	SB, BA	Irrigation Systems for Restoration and Mitigation Sites	3/27/2003	Portland, OR	Paper presentation

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampelle, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
Society for Ecological Restoration & Society for Wetland Scientists, PNW chapters Joint Annual Conference	SB	Writing Effective Plant Specifications for Restoration and Mitigation Projects	3/25/2003	Portland, OR	All-day workshop with lab
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	How to Evaluate and Condition Wetland and Mitigation Design Plans	2/12/2003	Seattle, WA	2 day course
The Evergreen State College botany program	JT	Native Plant Propagation	11/22/2002	Olympia, WA	2 hour lecture and nursery tour, twice
University of Washington, Engineering Professional Programs, co-taught with Dyanne Sheldon	SB	Wetland and Upland Habitat Restoration Design	11/20/2002	Seattle, WA	2 day course with lab
University of Washington, Center for Urban Horticulture graduate students	SB	Horticultural Techniques in Restoration & Mitigation Projects	11/15/2002	Seattle, WA	2.5 hour lecture
Society for Ecological Restoration, NW chapter, Design to Dirt workshop series	SB	Plants and Planting	10/25/2002	Seattle, WA	2/3 of an all-day workshop, with lab
Society for Ecological Restoration, NW chapter, Design to Dirt workshop series	SB	Site Preparation	10/11/2002	Seattle, WA	1/3 of an all-day workshop
Wa. Association of Conservation Districts	SB	Keys to Success: The nuts and bolts of Restoration Projects	6/11/2002	Leavenworth, WA	4 hr. lecture & workshop
Thurston County Native Plant Salvage Project	JT	Winter Twig Identification	2/3/2002	Olympia, WA	Workshop and field trip
University of Washington, Center for Urban Horticulture, graduate students	SB	Horticultural Techniques in Restoration Projects	11/2/2001	Seattle, WA	2.5 hour lecture
Society of Wetland Scientists, PNW chapter annual conference	BA, JT	Writing Installation Specifications for Restoration & Mitigation Projects	5/18/2001	Hood River, OR	All-day workshop with lab

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampsel, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
American Society of Landscape Architects, WA chapter	SB	Writing Plant Specifications for Environmental Restoration & Mitigation Projects	5/4/2001	Seattle, WA	2 hour lecture
Washington State University, Cooperative Extension, Water Resources Program	JT	Plant It Right – video narration and technical information editing	2000 - 2001	Olympia, WA	Video and fact sheet
WA Native Plant Society, South Sound chapter meeting	SB	The Native Plant Industry: An Insider's View	10/4/2000	Olympia, WA	Lecture
Starflower Foundation	SB	Urban Restoration Processes and Techniques	7/20/2000	Seattle, WA	4 hour workshop
Society of Wetland Scientists, PNW chapter annual conference	SB	Writing Plant Specifications for Restoration & Mitigation Projects	5/12/2000	Bellingham, WA	All-day workshop with lab
Society of Wetland Scientists, PNW chapter annual conference	SB	Improving Mitigation Implementation	5/11/2000	Bellingham, WA	Panel
Society of Wetland Scientists, PNW chapter annual conference	SB, JT	Improving Installation Specifications	5/11/2000	Bellingham, WA	Paper presentation
Thurston County Native Plant Salvage Project	JT	Winter Twig Identification	2/6/2000	Olympia, WA	Workshop and field trip
University of Washington, Center for Urban Horticulture, student seminar series	SB	Writing Good Plant Specifications for Restoration & Mitigation Projects	12/8/1999	Seattle, WA	2.5 hour lecture
Women in Horticulture Conference	SB	Native Plants: A Grower's Perspective	9/9/1999	Seattle, WA	1 hour lecture
Society for Ecological Restoration, NW chapter	SB	Native Plant Specifications	6/11/1999	Portland, OR	3.5 hour workshop
US Fish & Wildlife Service	SB	Principles of Native Plant Specifications for Restoration & Mitigation Projects	2/24/1999	Skamania, OR	Half-day lecture

## Sound Native Plants Presentations List

<b>AB = Adrienne Basey, BA = Ben Alexander, CS = Cathy Sampsel, JT = Joslyn Trivett, SB = Susan Buis</b> (Last updated 01/2008)					
<b>Client</b>	<b>Who</b>	<b>Title</b>	<b>Date</b>	<b>Location</b>	<b>Format</b>
US Forest Service & Oregon State University, Native Plant Propagation Conference	SB	Salvaging Plants for Propagation & Revegetation	12/9/1998	Corvallis, OR	Paper presentation
Society for Ecological Restoration, NW chapter annual conference	SB	Restoration Implementation: Native Plant Specifications 101	10/29/1998	Tacoma, WA	1 hour lecture
Ornamentals Northwest Seminars	SB	Building Bridges Between Biology and Profit	8/28/1998	Portland, OR	Panel
The Evergreen State College, Freshwater Ecology graduate student class	SB	Native Plants in Stream Restoration	3/3/1998	Olympia, WA	Lecture and lab
Olympia Garden Club	SB	An Introduction to the World of Native Plants	5/2/1997	Olympia, WA	Afternoon talk
WA Dept. of Ecology	SB	Specifying and Buying Native Plants	10/29/1996	Olympia, WA	All-day workshop at nursery
Native Plant Salvage Project	SB	Propagating Native Plants from Seed	7/18/1996	Olympia, WA	2 hour lecture
Society of Wetland Scientists, PNW Chapter Annual Conference	SB	How to Specify and Buy Native Plants	5/10/1996	Olympia, WA	6 hour workshop w/ lab and nursery tour
Washington State University, Cooperative Extension, Master Gardeners Program	SB	Native Plant Propagation	3/21/1996	Olympia, WA	Lecture
Native Plant Salvage Project	SB	Native Plants: I Like Them But How Do I Get Them?	11/9/1995	Olympia, WA	1 hour of a 2.5 hour workshop
WA Depts. of Ecology & Transportation, Soil Bioengineering Workshop	SB	Plant Materials for Soil Bioengineering	11/9/1995	Olympia, WA	1 hour lecture
Washington Association of Landscape Professionals, Seattle chapter meeting	SB	An Introduction to the Native Plant Industry	10/11/1995	Seattle, WA	Lecture
Society for Ecological Restoration, NW chapter annual conference	SB	Restoration Installation	9/14-16/95	Seattle, WA	Session co-chair
Ornamentals Northwest Seminars	SB	Plants for Wetland Projects	8/24/1995	Portland, OR	1 hour lecture
